

Working together.
Shared goals.

Why Nelson Mullins?

At Nelson Mullins, we seek to have a deep understanding of our clients' businesses. That's how we've grown from a firm with one attorney in 1897 to the diversified law firm of more than 800 attorneys, policy advisors, and professionals we are today.

Nelson Mullins contributes to your success through flexibility, business sense, and tireless advocacy based on a deep understanding of your business world, working side by side with you toward the same goals.

- ▶ INNOVATORS REPRESENTING INNOVATORS
- ▶ THINKING BEYOND THE LAW
- ▶ SOLUTIONS ARCHITECTS

Working Together

Collaboration leads to more resources for you. That's why we work together with you to provide forward-thinking solutions and practical advice for your business. Thinking and judgment informed by experience. Diverse viewpoints. Efficiency. Solution-oriented service. All are paramount.

Shared Goals

Relationships matter. We have the depth of a large firm and take a personal and entrepreneurial approach to align our legal services with your business goals. We work to understand your expectations and objectives. We discuss how and when you want to receive communications. And we remain flexible and responsive.

Our Teams

Litigators

Our litigators serve a wide variety of clients, from individuals to Fortune 200 clients in both ordinary course and high-stakes matters, and participate on national and virtual trial teams.

Corporate and Transactional Teams

Attorneys on these teams provide a wide variety of services, including corporate, securities, finance, venture capital, commercial real estate, real estate capital markets, and technology services.

Government Relations Team

This team serves clients at the federal, state, and local levels and includes former high-ranking government officials and policy makers.

Intellectual Property Group

Nationally recognized for patents, IP litigation, and trademarks, this team provides a full range of IP services for clients across industry sectors.

Encompass

This dedicated practice group provides e-discovery, information governance, and technology-related hosting, processing, and analytics services to clients on a flexible scalable basis, including serving as Enterprise E-Discovery Counsel for Fortune 50 clients and clients in heavily regulated industries.

Advocates for Justice

Our firm engages in complex pro bono litigation, policy, and legislative advocacy and provides individual representation to a diverse group of people and organizations. Our pro bono clients include individuals who serve our country and nonprofits whose mission is to serve people with limited means.

We embrace our strong pro bono culture. Pro bono work helps all of us remember the reason we have laws – to protect, to help, to guide, and to seek justice.
