Reply STOP: Limitations for Service Providers in Communicating with Your Customers

[Register](#)

Please join Nelson Mullins **partners** [Trish Markus](#), [Steven Augustino](#), [Jack Pringle](#), and [John Heitmann](#) for a **virtual** presentation discussing considerations for communications service providers in contacting their customers for service-related and marketing purposes.

Topics to include:

- When and how service providers can text or call current customers
- The ability of your customers to opt out of service provider communications
- Key disclosures for collecting, using, or sharing customer information, including sensitive geolocation information
- Special considerations for healthcare information and communications

Thursday, June 15, 2023

1 - 2 p.m. EDT

Cost: Free
