### **Jennifer Malinovsky: What private equity's focus on healthcare means for you**

*Advisory Board*

---

Atlanta partner Jennifer Malinovsky spoke to Advisory Board on the legal and strategic implications of a focus on healthcare by private equity means. Malinovsky is a member of the Firm's executive committee and focuses her practice in healthcare corporate and regulatory law.

Because healthcare is one of the most heavily regulated industries and those regulations vary state to state, private equity firms must take the necessary precautions before investing. Malinovsky considers topics such as: which sectors see the most activity, major compliance issues and how best to avoid violating regulations, and the keys to a successful relationship between a physician group and a private equity firm.
