

## Insurance

# Multifaceted service for the insurance industry

**Nelson Mullins' attorneys know the insurance industry and the ever-changing challenges presented to this diverse field. We can help when your company is**

- facing litigation in matters ranging from complex coverage and bad faith claims to sales practices and class actions
- needing advice or a defense in a multitude of coverages such as auto, home, personal lines, life health & disability, commercial general liability, errors & omissions, directors & officers, excess, fidelity bond, ERISA-governed benefit plans, and other business coverages
- navigating regulatory and compliance issues with state departments of insurance for all types of insurance carriers
- forming captive insurance companies

### Representing insurers in a wide range of regulatory and litigation matters

Nelson Mullins offers multifaceted services in insurance matters, covering a wide spectrum of litigation and advisory services. Our attorneys defend claims in court against insurers involving allegations of bad faith, breach of contract, negligence and fraud. We also represent insurers in administrative and other regulatory matters.

### Ensuring client interests with experienced representation

- Private and commercial automobile insurance
- Captive insurance
- Life, health, and disability insurance
- Homeowner coverage disputes
- Professional liability counsel
- Fidelity bond coverage
- Alternative dispute resolution
